

Hospitality Specialists

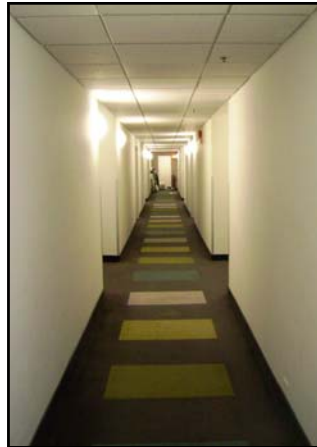

ECI

General Contractors

Edelmann Construction, Inc.

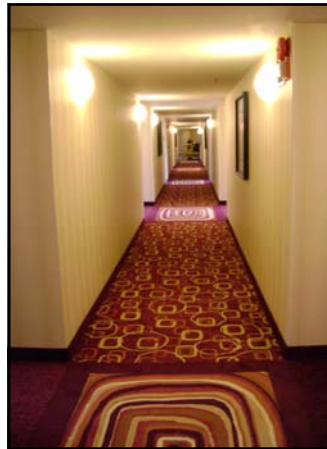

ECI has been serving the hospitality industry for over 20 years. With projects spanning from coast to coast, our brand standard knowledge base includes Marriott, Hilton and Choice brands, among others. Project scopes range from F,F&E change outs to full scale interior and exterior renovations.

Our Specialties include:

- Wall Coverings of all types
- Paint and Knockdown application
- Carpet installation (Stretch-in, Direct Glue, Double stick, Squares)
- Tile & Stone Installation
- Marble & Granite countertops/Tub surrounds
- Ceiling systems
- Finish carpentry and custom woodwork
- F,F & E exchanges
- Design Build projects
- Value Engineering

Example Project Areas:

- Guestroom Renovations
- Public Spaces
- Exterior Finishes
- Restaurant/Lounge Conversions

ECI operates out of two locations to support our customer needs. Our Headquarters are located in St. Louis, MO, with a secondary location in Ft. Myers FL, serving our east coast projects.

The hospitality industry requires with specific customer needs from brand to brand, or even from one property to another. Planning projects to incorporate minimum impact to guests and staff have been key to our success.

Our on site foremen work in close conjunction with the property's management team to ensure that any special needs are being met, and the project is being handled as low-profile and neatly as possible.
